

MERIT LIST FOR JUNIOR ONLINE CATEGORY

After evaluating all the answer scripts, we have selected a set of students who have displayed exceptional mathematical skill in their entries for MTRP 2023, and have thus qualified the written examination. These students are invited to attend the virtual MTRP 2023 Winter Camp, organised by the students of Indian Statistical Institute, Kolkata, to be held tentatively in the middle of February. Please note, **online candidates can only attend the camp in online mode**. Our heartiest congratulations to all the selected candidates.
